## MOTHERING SUNDAY 30th March

### **A prayer for Mothers**

Thank you Lord for our mothers. We remember today their loving care and their ceaseless love for us. Make us grateful for their goodness and thankful for their care and may we show them by our gifts, our words and our actions that we love them and care about them too.

Lord Jesus, we are glad that the bible story tells us a little about your family life and introduces us to Mary, your mother.

She was happy when she knew she was to be a mother

She was pleased when people were glad to meet you

She was worried when you were lost and she went to look for you

She stayed by you when everyone else was against you

She shared your pain and suffering and she shared your triumph.

In the love of our own mothers we also have received this same care:

– as babies they do everything for us, as children they teach us, help us and comfort us, sharing our interests and ideas and keeping us happy. When we become adults and leave home, they continue to offer advice and support and share our troubles and joys. We are better people because of all they have done for us. Let us pray that the love they have shown us may also be shown by us.

Lord in your mercy

**hear our prayer.**

God could not be everywhere and therefore he made mothers.
